RECEIVED

**AMENDMENT A**

Sir:

The Office Action dated March 26, 2002 from Examiner U. Chattopadhyay of Art Unit 3738 has been received and reviewed. The following is in response thereto.

**IN THE SPECIFICATION**

Please replace the Abstract in its entirety, with the following:

*C1*  
A positive power anterior chamber ocular implant for placement in a phakic eye is disclosed to correct refractive errors caused by hyperopia which includes at least one convex surface and haptics for positioning the lens in the anterior chamber of the eye. Contact between the lens and other anatomic bodies, such as the anatomical lens, the corneal endothelium and iris is avoided, and the haptics avoid contact with the iris.

**IN THE CLAIMS**

*✓* Please delete Claim 4.
